

screwtop wine parties

Welcome to the wonderful world of wine and cheese!

Part of our philosophy at screwtop wine bar is to offer affordable, approachable wine and cheese pairings in a casual and comfortable atmosphere for you and your guests.

Private parties are scheduled Sunday through Thursday and Saturday's prior to 7pm. Unfortunately, due to our size, we are unable to accommodate events on Friday nights unless you would like to rent out the entire bar. Please contact wendy@screwtopwinebar.com if this is of interest.

We can seat up to 16 comfortably at our large farm tables. For parties of 16-35, we have standing room only in our retail space. For groups of 35+ we do offer the option to rent out the entire bar for various bar rentals and minimum food and beverage requirements. Please specify if this is of interest.

A minimum of 1 week's notice and a credit card number are required at the time of booking. Our event pricing does not reflect sales tax and 20% gratuity.
