## Alp Blossom

Cow's Milk - Austria

Inspired by its home in Western Austria's 'Hay Belt,' Senneri Huban coats this wheel in a mix of local flora, including marigold, rose petals, lavender, and chervil. This brings a slight pastoral sweetness to a cheese that is big in beefy and umami flavors. \$29.99 lb

### tasting notes

The grapes for this wine come from vineyards directly on the grounds of the Loisium wine resort. The label depicts the original sketch for the layout of the resort, with the luxury hotel in yellow surrounded by vineyards in green, the wine museum in grey, and underground cellars in red. This Grüner Veltliner is fruity in the nose and has exotic aromas and nuances of ripe apples on the palate. The fine bouquet is underlined by the spice of white pepper. \$24.99
