- **20% of the wine is barrel fermented and aged, the remaining is fermented and aged in stainless steel. Cooler climate allows for great minerality but with a few warmer vineyard sites, this gives power and richness as well.**
- **All lots were on the lees for 8 months, with monthly lees stirring and also went through malolactic fermentation..**
- **The nose of this wine is full of pears, apples along with exotic fruits and toast. Balanced on the palate – power meets finesse.**
