FIORE SARDO

milk: Sheep (raw)
region: Sardinia

tasting notes

Fiore Sardo DOP also known as Pecorino Sardo is a hard cheese made from raw sheep's milk and lamb rennet on the Italian island of Sardinia (Sardegna). The cheese which is said to have originated during Bronze Age was awarded DOP status in 1996.

As per DOP standards, the cheese is made with milk sourced from a single flock of local Sardinian breed. The cheese after ageing for six months develops a natural rustic brown rind and a sour, damp smell. Upon slicing, the pate reveals a compact, dense, straw yellow or white color. It is wonderfully rich in flavor, with a granular texture. It is carefully smoked, adding another layer of complexity.

CENATIEMPO ROSATO

Varietals: Aglianico
region: Ischia, Italy

tasting notes

As is typical of all wines from Cenatiempo, this Rosato is textured with salty minerality. The nose shows an exotic mix of deep red berry, citrus, peach, and tropical fruit. On the palate, pronounced blood orange and peach flavors with plenty of acidity and minerality.
