**VLASKAAS**

*milk:* Cow  
*region:* Netherlands

**tasting notes**

Vlaskaas was historically made only once a year, during the flax harvest festival, but as festival traditions fell away, the recipe was buried. Thankfully, in 2004, a review of Beemster's past cheeses led to its rediscovery. Vlaskaas was obviously too good to make just once a year and is now available year-round. It's buttery and semi-soft with unique sweet-milk flavor, notes of almond, and a touch of sharpness that adds depth. \$7.99 5.3oz

**H.B. CHEVALIER**

*region:* Pomerols, France

**tasting notes**

Possessing a very expressive, charming and complex bouquet, the wine offers intense notes of ripe citrus and fruit candies. The palate is balanced and delicate, fresh, generous and ample, developing beautiful aromas of small red fruits (strawberry, red currants) and a long-lasting mouthfeel balanced between roundness and freshness. **\$16.99**

**ELIZABETH SPENCER**

*region:* Sonoma, California

**tasting notes**

Refreshingly bright aromas of strawberries and orange blossom, a fresh wave of acidity from start to finish, and crisp tropical and citrus flavors mingling with bing cherry and strawberry notes. **\$23.99**
