# PINOT NOIR WINE CLUB

SEPTEMBER 2021:  
THE ITALIAN JOB

## CHEESE PAIRING:

### Pecorino Toscano DOP

**Sheep's Milk, Tuscany, Italy**

This Pecorino Toscano D.O.P. wheel is a semi soft cheese produced exclusively with sheep's milk coming from pastures in Tuscany and bordering territories. Rich in tradition, it is famous around the world for its fresh, delicate flavor. It has a sweet flavor and milky aroma, notes which evolve during aging towards a more intense, structured flavor and a surprising aromatic complexity.

Tasty on its own as a table cheese, it may also be enjoyed in many ways, in hors d'oeuvres, paired with honey, marmalades and caramelized fruit, or blended into delicious salads with the addition of extra virgin olive oil. **\$7.99 retail**

## KELLERER CANTINA TERLAN

VINTAGE: 2019

### REGION:

**Alto Adige, Italy**

### Grape:

Pinot Noir

Terlan is grown in the mountainous area of Alto Adige, a region in northern Italy bordering Switzerland and Austria. This particular Pinot Noir vineyard is located in the high elevation sites, which it happily thrives in. This is a very elegant Pinot Noir offering a delightful balance between ripe fruit (Blackberry & Cherry) and a delicate tannin structure which washes over your tongue like a smooth silk robe.

**\$31.99 retail**

## WAYPOINT BROWN RANCH

VINTAGE: 2018

### REGION:

**CARNEROS,  
NAPA,  
CALIFORNIA**

### Grape:

Pinot Noir

A classic Carneros beauty, ripe notes of cherry cola, spiced hibiscus flower, dried strawberries, and clove are accented by other exotic spices, earth, and hints of salinity.

Whole cluster fermentation allows the fruit to be the focus, with fine grained tannins backing an already exquisite texture full of verve and length. Balanced and full of energy, this showcases one of California's non-coastal Pinot sites in all its glory.

**\$53.99 retail**
