

Wensleydale Cranberry Cow's Milk Cheese

Creamy Wensleydale is one of England's oldest cheeses and was originally produced in the north of England. The cheese was first made there during the Norman invasion, when French monks from the Roquefort region were brought over to practice their cheese-making skills. The Wensleydale pastures give the cheese the unique, refreshing flavor for which it is renowned. The cheese is a fresh, young cheese taken at only three weeks old. It has a clean, mild, slightly sweet flavor and creamy texture. This cheese has a natural acidity that pairs wonderfully with fruit. Cranberries perfectly compliment this famous English cheese to create the perfect dessert cheese.

ADVENTURER CLUB #1

Caterwaul

A dark, exotic Cabernet Sauvignon nearly splitting at the seams with fruit and spice notes. The wine exhibits a completely opaque dark purple hue in the glass with a violet halo. Layered aromas suggest black currant, pine bough, pencil shavings and fresh leather. The dense, concentrated palate is marked by macerated blackberry, plum reduction, baking spices, loam, cocoa nib and crushed river rock. This big, complex wine will show it's true colors after being decanted or with a few years in the cellar. **Retail \$59.99**

Varietal: **Cabernet
Sauvignon**

Appellation: **Napa, California**

ADVENTURER CLUB #2

Bressia Monteagrello

Youthful, assertive and intensely oaked, this stylish Cabernet Sauvignon combines fruit from Agrello and Gualtallary in the classic Mendoza two-step. Smoky, dense and quite firm, with damson and cassis fruit, it's a wine with one eye on the future. **Retail \$31.99**
