MONTHLY CHEESE PAIRING

THE FAWN CHEDDAR

Cow's Milk (Pasteurized)

Region: Wisconsin

The cheese is made from milk sourced from an area of Wisconsin where the glacial lobes of the last Ice Age converged and then receded, creating the distinctive terroir of the region.

A unique culture set gives this young cheese an award-winning sweet nuttiness with a full, complex Cheddar flavor not found in traditional bandage-wrapped Cheddars. As the flavor of The Fawn unfolds in your mouth, it seems delicate at first, yet gives you a rich finish that lingers on.

\$6.99 Retail (~.33 lb)
